Healthy Smoothie Workshop

This week the children had a great healthy smoothie workshop delivered by Blendavenda. Tom brought his smoothie bike and showed the children how easy it is to make a healthy smoothie using a range of healthy fruits such as: mango, pineapple, bananas and raspberries. The children then peddled his special bike, which powered the blades in the blender. He also spoke about the importance of a healthy, active lifestyle.

Bike Training

Chris Froome... Look out! The children have had their bike training this week. They worked on signalling, balance and they learned how to look behind their shoulder. This will help them to be safe and in control on the roads!

Eco-Update

A massive thank you to the children for bringing in their old clothes for Wastebusters. This will help to reduce the amount of old textiles on landfill sites in the UK. We will have another collection during the summer term. Wastebusters will be converting the weight of our textiles into brand new science equipment for the children to use.

Sports News

The Ashburnham sports teams have some exciting competitions coming up next half term. On Wednesday 24th February, the girls football team will go to the Borough Girls Football Festival and on Thursday 10th March the Netball team are attending The London School Games at Crystal palace. Parents and supporters are welcome at both events, just speak to Mr Garcia.

Congratulations to Chanelle in Y5 for her amazing performance in the Borough Athletics competition last week. In the standing long jump event, she achieved 2m 20cm! Mr East, Mr Garcia and Mr Acharya have not yet beat her record!

Great news for Blantyre- they won the House Competition for this half term!

Please keep bringing in Sainsbury's Active Kids Vouchers and put them into the box in the office.

Year 3 class assembly

Well done to Y3 for keeping up the school tradition of excellent class assemblies! They performed the story of Diwali to the children and parents on Wednesday afternoon. The assembly was packed full of battle scenes, dance moves, great acting and included traditional and modern music.

RE week

After a fabulous RE week put together by Miss Douglas the following children received a certificate for asking curious, insightful questions and showing a particular flair for RE; Yusuf (Reception), Nina (Y1), Ranim (Y2), Ibrahim (Y3), Abdourahman (Y4), Hadil (Y5) and Isaac (Y6).
