Congratulations to Year 5 & 6 with best attendance this week
Overall school attendance this week: 96.1%

Grenfell Fire- Amazing Response from Ash

The Ashburnham community has really stepped up when needed- the donations from families have been amazing. We are no longer receiving contributions until they ask for more at the site. Teachers have spoken to children about the fire, to reassure them and to help them make sense of this horrific situation.

Tea towels

The Ashburnham tea towels have been printed. These amazing tea towels- with each child and adult in the school drawn on- cost just £3.50 and are available only at the Summer Fair.

Summer Fair- June 29th 4-6pm

The Summer Fair is fast approaching. This event depends on parent and carer support. Can you help?

- we still need volunteers for stalls, please contact Sue/Karina/Jemima or the office if you can help on the day
- sort out books, toys and bric-a-brac and bring to school the week of the summer fair
- cook a dish for the international food stall or bake a cake and bring in on the day of the summer fair

Maths Challenge

Five of our finest mathematicians from Y5 went to the semi-finals of the Maths Challenge this week and smashed the activities to come No.2 out of all the 17 schools. They progress to the final on the 7th July.

Education news: Kids are more alert & have quicker reaction times in the afternoon

Children aged 9 to 11 reported feeling less sleepy in the afternoon, contradicting current thinking, finds University of Oxford and BBC study
