Performance Week: Amazing work all week

Mr Brown organised an action-packed week of activities to promote speaking, listening and performance. We had a day without pens/pencils; workshops from PERFORM; dance competitions; poetry recitals, and today a showcase debate in assembly. A fabulous week of performance across the school!

Uniform- looking good!

Following our push on uniform this week, it's great to see the whole school looking so smart in the proper uniform. Many pupils have been able to be reunited with lost items. Ms Bell has gathered boxes of unnamed lost property, and it is great that some of this is finding a home. If you have any lost items, do have a rummage. The boxes are currently in the hall.

Dinosaur Discovery Ride

To celebrate Walk to School Week in May, follow in the giant footsteps of our Jurassic friends as you search for Kensington and Chelsea's newest residents throughout May. Discover new

places and things you may not have known about the Royal Borough while you enjoy getting out and about and being active. This year we're giving you a bit of help with the trail by organising four led cycle rides for families, covering the north, south and centre of the borough. The rides are completely free to take part in, and will be happening throughout May, from 10am until 12.30pm, starting at different locations. The Chelsea Dinosaur Discovery Ride will leave right from our doorstep, so it's a great opportunity to have fun cycling with your family.

Polling Day- June 8th School Closed

As you will have heard, the government has called a snap election. The school will be used as a polling station, so we will need to close the school to pupils. We regret any inconvenience, but the short notice is unavoidable.
