

Quote of the week: "Learning never exhausts the mind." –Leonardo da Vinci

Thanks to all for a very positive start to the new term and the New Year. Our staff appreciate having the pupils back here right at the beginning of term. Having children come back late disrupts their learning, and that of the class generally. Thanks to those here all week. All the best for 2018

Y6 writers right back at it creating newspaper reports

New Year's Resolutions in Y2

Monday	Clubs start
Tuesday	Y2 pedestrian training; Y5 Natural History Museum trip; School tour 9.30am
Wednesday	Nursery Post Office trip
Thursday	Y3 Science Museum trip; Y4 Roman Amphitheatre trip
Friday	School finishes at 2.15pm

MEND stall- Monday after school

On Monday at 3.25pm the MEND organisation will have a stall in the playground to give information about their upcoming projects. Please come along to hear about what they offer in terms of health, activity and wellbeing.

**Mind, Exercise, Nutrition...Do it! (MEND)**

Clubs

As you will know, the clubs list went out this week and bookings were open from yesterday. We are now using the online School Gateway system. You will need to log in and if possible download the app. Ms Lindsay and Ms Redmond can help you with this if you run into difficulties.

## Uniform

---

Can we please remind all families that children must come to school with the full and correct uniform, including PE kit. Shoes can be trainers, but must be completely black. **School coats are available to order in all sizes.** All items can be delivered free (over £45) or collected after 3-4 days from the shop. Children without uniform have to miss the morning breaktime if we cannot find something for them in lost property.

## HEP- Silver Award

---

The Health Education Partnership, an organisation working with schools to improve the health of school-aged children have recently awarded us the HEY Silver Award for Emotional Wellbeing in the Early Years Foundation Stage. This is great recognition of the fantastic work our Early Years team does to provide the best start for our young learners.

LONDON

## School tours

---

If you know of anyone who has a child interested in a place at Ashburnham, we hold regular short tours of the school with our very professional Y6 Ambassadors. There is one at 9.30am January 9<sup>th</sup>.

## Staff Training:

---

This week staff had training in use of success criteria, and correct ratio of thinking and participation in lessons.

## Education News: Why spending time outdoors could help your child's eyesight
