SATS- Huge Congratulations

The staff have been incredibly proud of the Y6 and Y2 pupils

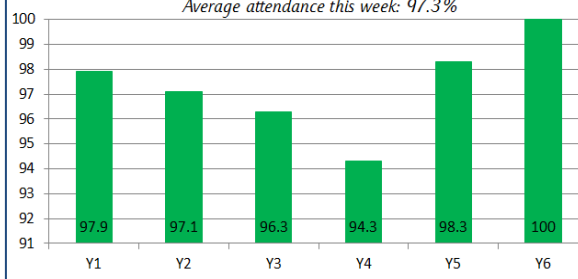

who have been doing their statutory assessments this week.

The children have been so focused, sensible, perseverant and supportive of one another. The Y6s were celebrating in Battersea park today to mark the end of a hugely important week. They will continue with their writing pieces until later in the term, but they will also be starting their Y6 Production as well as project work and sports.

This week's attendance:

Congratulations to Year 6 with best attendance this week
Average attendance this week: 97.3%

Own Clothes Days: end of every half term

An excellent suggestion from the Parent Chat meetings is that pupils are allowed to wear their own clothes for £1 on the last day of each half term/term to raise money to buy school resources or experiences that all the pupils will benefit from. The next one of these is next Friday.

Mental Health Awareness Week

Many thanks to Ms Lim for leading us through ideas and strategies for improving our mental health and that of those around us. The children were invited to wear own clothes today in support of raising awareness of the issues around mental health. As important as ever.

Monday Parents' Walking Club

The group meets every Monday 9am to walk to Battersea Park. All welcome- meet outside the school office.

After School Fun: Tuesdays, 3:30pm- 4:30pm

The playground is now open for after school fun EVERY Tuesday, weather permitting. Welcome to pupils of all years, with their grown-ups. £1 contribution.

Come Dine with Me: June 6th

The kitchen once again invites parents and carers in to have lunch with their children on Wednesday June 6th 12-12.25pm. Those who came last time really enjoyed the chance to try the food, and to be with their kids during lunchtime. There is no charge for the meal, but you will need to let the office or teacher know that you will be coming.
