International Summer Fair: Smashing success

It was really Ashburnham at its finest last Friday. So many wonderful dishes from all over the world, the children dressed in their finest outfits, great performances, fantastic activities, and weather that could not have been better. Ms Van Vliet did a terrific job organising everything, many thanks in particular to her, but also to all the parents, carers, members of the community and staff who all contributed to make the

afternoon such a success. Recipes are being gathered to contribute to an Ashburnham recipe book to celebrate the great culinary talent of our community.
