

Year 5 - Group Distance Learning Provision Autumn Term 1

Dear Parents and Carers,

Outlined below are the lessons your child could and should access if they are unable to attend school for a period during this half term, due to self-isolation etc. We have outlined suitable lessons that match our curriculum for this half term. We recommend your child completes English and Maths lessons daily – and 1 lesson per week for the remaining subjects.

Please note – this is NOT homework. This is suggested provision for your child only IF they are unable to attend school.
